My home backs to the current EJE RR tracks
 I cannot stress enough that we do NOT want
 the CN to go thru our town. We will be
 fatally impacted economically as our home price
 will plummet. Not only that but if a train is
 going thru & there is an emergency in my
 neighborhood, the response time by the
 fire/EMS will triple. 800 buses pass over
 these tracks per day. It will only be a
 matter of time before an accident happens.

The CN gentlemen here seem already smug as
 if this is a done deal. Please give us your ~~input~~ ^{input}
